Oakland	Ontonagon	Saginaw
Tuscola	Out Wayne	

### \*NOTES on County/Regional Reports:

- A minimum of at least two districts and at least two building types (middle school or high school) must participate for a county/regional report to generate.
- Participating districts and schools are not identified in order to preserve confidentiality. Participation demographics will be provided with reports.
- Five areas in the state are merged for regional rather than county-level reports to preserve school anonymity and allow for more report availability.
